- Leave at junction 152 and travel towards the E4 on the 267. At junction 174 join the E4 southbound towards Stockholm. Turn off at junction 172 and follow the 275 signed towards Vällingby. The parking will be signed from the 275 using controls, signs with the “25manna” logo and arrows.
- Continue along the E18 eastbound following signs towards the E4 Stockholm. When joining the E4 head north following directions to Sundsvall. Continue north and turn off at junction 172, following the 275 signed towards Vällingby. Parking will be signed from the 275 using controls, signs with the “25manna” logo and arrows.
- See the map for the alternative routes.
